

# NEW Eduskills

INTRODUCING

## Multilingual Family Engagement Web-Based Platform

*Committed to connecting schools and multilingual families*

**From parenting tips in a multilingual environment to multilingual academic resources our platform offers a wide range of tools for families to thrive.**

### Unified Family Portal<sup>1/2</sup>

*Family access to manage resources, student assessment data and learning plans, and parent notification letters, all from one centralized hub.*

### District Communication Tools<sup>1/2</sup>

*Easily send text and email communication to families.*

### Tutorial Videos & Interactive Activities<sup>1/2</sup>

*Dive deep into how families can best advocate for their children within the U.S. school system. Family access to video tutorials and engaging interactive activities.*

### Mobile Friendly<sup>1/2</sup>

*Our platform is optimized for all devices, ensuring that families remain connected wherever you are.*

## Key Benefits

-  Strengthen the school-home partnership.
-  Foster a sense of belonging and inclusion for every family.
-  Facilitate transparent and open communication.
-  Celebrate and harness the strength of linguistic diversity.
